P&G Fiscal 2015 Highlights

Value Creation is Top Priority

We are putting strategies and capabilities in place to transform P&G into a faster-growing, more profitable and far simpler company.

What's different? How are we building a better P&G?

- A More Focused Business Portfolio
- More Innovative and More Productive
- Strengthened Business Unit Strategies

P&G – A Company of Leading Brands

P&G is focusing on 10 product categories with about 65 brands. These 10 categories have been growing faster, and their operating margins are higher than those of the total Company. P&G is the leader in seven of these categories and is #2 in the remaining three, with significant growth potential in all of them. Across the 10 categories, P&G has 21 brands with annual sales of \$1 billion to about \$10 billion, and 11 brands with sales of \$500 million to \$1 billion – many of those with billion-dollar potential.
